C. B. BRACKETT'S

TRADE CATALOGUE

FOR

Spring of 1872

With many thanks for past favors we present this list and hope so to conduct our business as to merit the continued confidence of the public.

With *twenty-nine* years experience we feel confident in saying that our selection of varieties is the the best adapted to the soil and climate of the West, and that will give satisfaction to our customers.

For *shipment*, trees will be packed with care, for which a moderate charge will be made, and care will be taken to insure prompt shipment, after which our responsibility ceases.

Selection of varieties must be mainly left to us, but we give the purchaser his choice as far as possible.

☞ *Send orders early with plain direction how and when to ship.*

☞ TERMS CASH. ☜
